## **REGULATIONS ON ORGANIZATION AND CONDUCTING INTERNATIONAL DISTANCE COMPETITION "CHILDREN'S GAMES OF THE TURKIC PEOPLES OF EURASIA"**

Tolerant relations in society are the key to interethnic and interregional harmony, which was reflected in the implementation of the socially significant program of the Republic of Bashkortostan. In order to develop and improve interethnic relations, the competition "Children's Games of the Turkic peoples of Eurasia" are held. The game is an integral part of the spiritual culture of society, it contains almost all spheres of life of the ethnos: economy, material and spiritual culture. Through the activity, the younger generation acquires vital skills, learns the moral and ethical standards of the team, learns to win and overcome difficulties, and becomes familiar with the culture of its people.

Acquaintance with the games of different peoples allows us to better understand ourselves and see the unity and diversity of the cultures of the Turkic peoples of Eurasia.

### **1.1. This provision determines the conditions and procedure for holding the competition "Children's Games of the Turkic peoples of Eurasia"**

1.2. The competition is organized within the framework of the project "International scientific and educational Internet platform "We are the Bashkirs", the winner of the competition for the provision of subsidies to socially oriented non-profit organizations of the Republic of Bashkortostan for the implementation of socially significant programs in the direction of "Strengthening interethnic and interreligious harmony" (based on the order of the Foundation for Assistance to Civil Society of the Republic of Belarus dated June 17, 2020, No. 32).

1.3. The organizer of the Competition is the Bashkir State Pedagogical University named after M. Akmulla".

1.4. The general management of the preparation and conduct of the Competition are carried out by the organizing committee and the operational management is held by the working committee. The composition of the organizing committee and the working committee is formed from among the teaching staff of the Faculty of Bashkir Philology of the Bashkir State Pedagogical University named after M. Akmulla.

1.5 To sum up the results of the Competition, a competent jury is formed from among the leading scientists of the BSPU named after M. Akmulla, BSU, Institute of Nuclear Physics, UFIC RAS. The decision of the jury is drawn up in a protocol signed by the chairman of the jury and contains information about the winners of the Competition and competition works.
